Your School Backdrop

Your Portrait Days are:

Tuesday October 17, 2023.

Below are samples of your backdrop set up.

To view samples online go to kandidkidsphoto.net open link, open Your School Backdrop, then open preschool or scan qr code above to view Samples.

We will photograph all children, including siblings together and individual shots, and deliver you our Proof Order Form approximately one week from your child's Portrait Day.

Our Proof Order forms will have an online code for every family to view, purchase and share with family. You will have approximately one week to return the Proof Order Form to your child's preschool.

Save ecommerce and shipping charges by ordering your portraits & photo gift items from your child / children's Proof Order Form online by ordering before DUE DATE.

All online orders placed before the Proof Order Form return date will be shipped directly to the preschool. Any orders after the return date will be shipped directly to you. All online orders are slightly higher due to our lab charging us for hosting the galleries online. Extra shipping charges are applied when orders are submitted after the return date and shipped directly to you.

Please ask preschool for schedule day.
